International application No. PCT/AU2004/000620

Box No. II Observations where certain claims were found	TC1/AU2004/000620
detection claims were found unsearchable (Continuation of	item 2 of first sheet)
This international search report has not been established in respect of certain claims under Article reasons:	17(2)(a) for the following
1. Claims Nos.:	
because they relate to subject matter not required to be searched by this Authority, na	malre
The state of the s	inery.
	•
2. Claims Nos.:	
because they relate to parts of the international application that do not comply with the	e prescribed requirements to such
an extent that no meaningful international search can be carried out, specifically:	- The state of the
3. Claims Nos.:	
because they are dependent claims and are not drafted in accordance with the second a	
Box No. III Observations where unity of invention is lacking (Continuation of item 3 of firs	nd third sentences of Rule 6.4(a)
This International Searching Authority found multiple inventions in this international application, a	as follows:
Claim 1 is directed to a device for supporting an ultrasonic transducer including a guid	de surface for the transducer.
a support device for ultrasonic transducers which are ultrasonic transducers about a	pipe. Claim 19 is directed to
directed to a support frame, which has a carriage for the supporting and moving the tra	ansducers.
An all required a living	
1. As all required additional search fees were timely paid by the applicant, this internation searchable claims.	al search report covers all
2. X As all searchable claims could be searched without effort justifying an additional fee, the payment of any additional fee.	Aud Aud
•	ſ
3. As only some of the required additional search fees were timely paid by the applicant, to covers only those claims for which fees were paid, specifically claims Nos.:	his international search report
4. No required additional search fees were timely paid by the applicant. Consequently, this restricted to the invention first mentioned in the claims: it is covered by claims.
